SUBJECT	Virtual International University Fair 2020
----------------	---

Dear Parents and Students,

Rize University Preparation and Career Guidance Program is happy to bring to you our very first virtual International University Fair.

The University Fair will be held from 5-23 July. Each week, we will showcase universities from a different part of the globe and you'll be able to hear about admissions requirements and deadlines directly from university representatives. You'll also hear about what makes each university unique and perhaps the ideal option for you!

We've divided the weeks by geographic area, so you'll be able to hear from many different universities in the same country or region at these times:

- 6-9 July: North America – 4:00 pm - 7:00 pm
- 13-16 July: Europe, including the UK and Ireland – 2:00 pm - 5:00 pm
- 20-23 July: Asia and Australia – 9:00 am - 12:00 pm
- 5, 12 and 19 July: UAE Sundays for domestic universities and scholarship programs – 2:00 pm - 5:00 pm

For the detailed schedule, and to register for specific university admissions events, please [click here](#). We are adding more universities and colleges daily, so keep checking the link to see what new universities we add to the list!
